Transform Your Network with Our 40G Ethernet Switch Wholesale! Get the Best Deals from PHXFIBER, One of the Leading Data Center Switches Manufacturers. Imagine Faster Speeds, Endless ...

Dedicated Networks stands by the products we sell. If an item hasn't met your expectations, you can send it back within one year from the date of purchase for exchange, refund, credit, or repair.

They're great switches, but you probably want a 3064 instead of the 3164. This switch is 10/40 Gbps and offers no 10/100/1000 traditional Ethernet ports, unlike the 3064.

FS 40Gb Switches offer high bandwidth, network virtualization, and redundancy, ensuring efficient deployment for campus core and distributed networks.
