

## Assembly of Middle East switchgear distribution boxes

### Overview

We work with established switchgear manufacturers and authorized suppliers such as Schidner, ABB and Hager to assemble the distribution boards that you require, for a fraction of the cost. We are fully type tested (ASTA) per IEC 61439 from 250A to 4000A. They are available with an UL/ASTA Certified PRIMA enclosure assembly, or with a Schneider Electric enclosure system. SFEI manufactures such products for a wide range of applications and clients, from the Air Conditioned. Creating a new warehouse, or adding machinery to an existing workshop?

Often the most neglected part of the change plan is the Main and sub distribution boards. With years of expertise in the UAE market, we provide tailored products that meet the diverse needs of residential, commercial, and industrial sectors. The new generation of sheet steel Distribution Boards care for safety and reliability in the electrical installation.
