

Burkina Faso Low-Power Optical Module 1G

Burkina Faso Low-Power Optical Module 1G

The Extreme Networks 1G-SFP-LX-OM Compatible SFP optical transceiver module is equipped with an LC duplex connector, which is high-performance, cost-effective, supporting a dual data rate of ...

T1-SFP-1G-LX is a high-performance, cost-effective module with a Duplex LC optics interface with a Standard AC coupled CML for high-speed signal, and LVTTTL control and monitor signals.

Description The SFP transceivers are high performance, cost effective modules supporting dual data-rate of 1.25Gbps/1.0625Gbps and 20km transmission distance with SMF. The transceiver consists of ...

As an industry-leading ICT infrastructure and industry solution provider, Ruijie offers customers a wide variety of high-density and low-power 1G optical modules.

This optical module supports hot-pluggable functionality, allowing for easy installation and removal without the need to power down devices. It is fully compliant with SFP MSA and RoHS standards, ...

Featuring a built-in Semtec chip and reliable FP laser / PIN receiver, the SFP module delivers low power consumption and stable optical links for 1G single mode networks like Gigabit Ethernet and Fibre ...

Our compatible Ruijie Networks MINI-GBIC-LX-SM1310 module is CE/RoHS certified, it meets product safety standards, and is compliant with SFP Multi Source Agreement (MSA) SFF-8477 industry ...

- Hot-pluggable SFP footprint
- Built-in digital diagnostic functions
- 1310nm FP Laser
- Simplex LC connector
- Up to 40km on 9/125µm SMF
- Single power supply 3.3V
- RoHS6 Compliant
- Operating ...

This high-quality Arista Networks SFP-1G-LX Compatible DOM Transceiver. A cost-effective solution that provides high bandwidth and transmission rates over short distances. Each transceiver is 100% ...

FS provides 1/2/4G transceivers modules in SFP form factor, supporting transmission distances from 100m to 120km over SMF/MMF fiber and enabling low power and cost-effective connectivity solutions.

Featuring a built-in Semtec chip and reliable FP laser / PIN ...
