Do you have products destined for use in mines?
Do you need faster, less costly approvals and want
to eliminate conducting duplicate tests &
evaluations?

All styles feature durable, precision molded
components and very high quality optics for
unmatched performance. That's why more major
coal companies choose our kits than any other
brand. Be sure ...

10kv Coal Mine Explosion-Proof Intrinsically Safe
Permanent Magnetic Mechanism High Voltage
Vacuum Distribution Box

Applications for certification by the Secretary
should be submitted in writing to the Mine Safety
and Health Administration, Certification and
Qualification Center, P.O. Box 25367, Denver
