

Custom Italian Stainless Steel Ladder Cable Tray

Custom Italian Stainless Steel Ladder Cable Tray

Discover the top cable tray manufacturers in Italia, offering innovative, durable, and high-quality cable management solutions for industrial and commercial applications.

The ladder trays with bolted rungs can be supplied preassembled or to be assembled, allowing the maximum freedom of installation and minimizing both the volumes and the transport costs.

Two stainless steel C-Channel profile side rails with transverse ladder rungs; provides the most rigid ladder tray system. Ideal for high vibration environments.

Refers to the approximate height of a cable tray used for specifying. Selecting a specific height will show cable trays with that height, as well as cable tray accessories compatible with that height.

Easy fitting: crossbars interlock with rails without the need for screws and nuts. A hammer blow is enough to achieve a firm and lasting attachment. The S3 system offers a wide choice of components

...
