

## Drop cable production equipment for sale

## Drop cable production equipment for sale

Wire & Plastic Machinery sells cable manufacturing equipment, including bow & drum twisters, group twinners, ribbon stranders & rotating equipment.

Description This production line is used for making FTTH cable. The line main components are:

Applied in production of FTTH terminal optical fiber cable (drop cable), simplex/duplex 2mm and 3mm, 12F/24F Mini extrusion material is PVC/LSZH. The extruded sheath possesses the features of ...

Our company has many years of experience in research and development and manufacturing of optical fiber and cable production equipment. The FTTH butterfly-introduced optical ...

This Optical cable production line makes FTTH drop fiber optic cable 2.0x3.0mm, 2.0x5.0mm. Cable structure: bare fibers + steel wires/FRP strengthen members + LSZH/PVC/PE sheath, and other ...

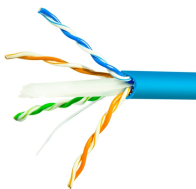

We provide solutions and equipment for optical glass making, fiber drawing, fiber coating, ribbon making, proof testing and fiber optic cable production. Our technology is used to produce telecom preforms, ...

Shop our range of drop cable machines for efficient FTTH network setup. Find durable, high-performance solutions for optical cable production and management.

The equipment has the advantages of high production efficiency, good cable arrangement quality, no pressing, orderly arrangement and convenient cable removal, which completely solves the problems ...

We have professional processing equipment, and advance technology, skilled assembly workers, professional commissioning and technology engineers for final equipment test before delivery.

Optical cable production line makes FTTH drop fiber optic cable 2.0×3.0mm, 2.0×5.0mm. Cable structure: bare fibers + steel wires/FRP strengthen members + LSZH/PVC/PE sheath, and ...
