These hook and loop fasteners offer a reusable and adjustable cable management solution. The self-gripping fastener's unique design enables the installer to quickly wrap the tie around a bundle of fiber ...

These cable management products offer a choice of methods to secure, route, label, and bundle electrical cables and fiber optic patch cables. Click the options in Table 1.1 to quickly navigate the page.

Fiber is fragile: The right cable tie prevents crushing and signal degradation. Use gentler options: Hook-and-loop, low-tension, and releasable ties protect fibers.

Fiberinthebox offers a full line of high quality cable ties in a variety of styles, sizes, materials, and colors. Our Cable Ties are engineered and manufactured for maximum performance and quality.

High quality cable management products that keep fiber cables' minimum bending radius to prevent fibers from being damaged. By Panduit, Richco, Cable Clamp® and other leading manufacturers.
