

Galvanized Cable Tray Service Provider

Overview

In this report, we profile the Top 10 Companies in the Galvanized Cable Tray Industry - a mix of global electrical solution providers and specialized manufacturers shaping the future of cable management infrastructure. Over the past 55+ years, MP Husky US Cable Tray has engineered and manufactured the most reliable, highest quality, cost effective and innovative cable trays systems. As the industry leader in cable tray, Eaton offers one of the widest ranges of B-Line series cable management solutions available in the market today. 27 Billion in 2023 and is projected to reach USD 2.4% during the forecast period (2024-2032). This growth is being driven by increasing infrastructure. Atkore's US Tray was established in 2012, as an American manufacturer of made-to-order cable trays that are built per NEMA standards and certified by UL. We offer modern, innovative, and technically advanced cable trays, tray covers and wire management accessories, support, and logistics management. Heavy duty cable trays and cable ladders are manufactured from pre-galvanized, electro-galvanized, or hot-dipped galvanized sheet metal, designed to meet ideal environmental working conditions for indoor and outdoor use in commercial or industrial

environments with high cable density. Suitable for supporting insulated electrical cables.
