

Genuine through-hole optocoupler chip

Genuine through-hole optocoupler chip

Buy Vishay MOC8103 Optocoupler, Through Hole, 6-Pin DIP or other Optocouplers online from RS for next day delivery on your order plus great service and a great price from the largest electronics ...

Through Hole Optocouplers Optocouplers / Photocouplers are available at Mouser Electronics. Mouser offers inventory, pricing, & datasheets for Through Hole Optocouplers Optocouplers / Photocouplers.

Photocoupler, Transistor Output, 10kV & 50kV, OptekRange of optoelectronic isolators.

Through Hole Transistor Output Optocouplers are available at Mouser Electronics. Mouser offers inventory, pricing, & datasheets for Through Hole Transistor Output Optocouplers.

- These voltage/current detector optocouplers come with adjustable upper and lower thresholds.

Brand new genuine through-hole optocoupler TLP620 (GB,F) DIP-4 AC input optocoupler chip 1 sold US \$1.00 Tax excluded, add at checkout if applicable

Buy Toshiba TLP250H (F) DC Input Optocoupler, Through Hole, 8-Pin DIP or other Optocouplers online from RS for next day delivery on your order plus great service and a great price from the largest ...

The PC817 is a popular optocoupler, also known as an optical coupler or isolator, that provides electrical isolation between two circuits. It achieves this by using an LED (light-emitting diode) to transmit light ...

This optocoupler is ideally suited for driving power IGBTs and MOSFETs used in motor control inverter applications. The wide operating voltage range of the output...

Mouser offers inventory, pricing, & datasheets for Through Hole Optocouplers / Photocouplers.
