

## Optical cable longitudinal slicing and optical package

## Optical cable longitudinal slicing and optical package

**BASIC SPECIFICATIONS:** Optical longitudinal cable bundle stripper, including 2 replacement blades, with 8.5, 10.4mm, 14mm cutting optical cable diameter. **MAIN PURPOSE:** This ...

It easily slits the PVC cable jacket into two halves before crimping. In both field and plant applications, time is saved and consistency is resulted with this precise and innovative tool.

The invention provides a longitudinal section splicing method of an optical cable bundle tube, which can reduce splicing time, improve splicing quality, save communication pipeline...

Optical fiber cable longitudinal splitter is an efficient and indispensable tool for fiber optic cable termination that can easily slit the PVC and PE cable jacket.

[Versatile Cable Stripper] The armored cable stripper can be used for 8 to 28.6mm cables, the cutting depth can be adjusted up to 5.5mm, suitable for various cable sizes. [Multi Purpose] The ...

Learn how the professional Fiber Optic Longitudinal Slitter tool boosts network efficiency & safety by ensuring surgical-precision cable access.

The knife head selects the high quality material, cuts into the optical cable to be more labor-saving. The depth of the cutter head can be adjusted, and the utility model can be used for the optical cable with ...

We source products from all over the world to bring you epic offers and the lowest prices. This means sometimes you have to wait a little longer to get your order ...

Longitudinal Cable Sheath Slitter SI-01 Product description: Longitudinal Cable Sheath Slitter SI-01 for fiber optic cable stripping.

Fiber optic cable jacket slitter is an efficient and indispensable tool for fiber optic cable termination. A simple tool for quick and simple removal of outer sheath of most fiber with diameters of 1.5mm to ...

We source products from all over the world to bring you epic offers and the lowest prices. This means sometimes you have to wait a little longer to get your order but it's always worth it! You get a full 365 ...
