

## Side strapping of network cabinet

### Overview

I've seen people use double-sided velcro and using self-taping screws, attach the straps to the cabinet and wrap the velcro around the devices. Leviton has a number of accessories like saddle ties and shelves. They also sell Push-Lock Pins that work with those holes. HomeNetworking is a place where anyone can ask for help with their home or small office network. Media Cabinet - How to hook/strap equipment?
