Chevron Corporation, an American multinational energy corporation that is also called Standard in sixteen U.S. states Standard Bank, one of South Africa's largest financial operators

A standard is a level of quality or achievement, especially a level that is thought to be acceptable. The standard of professional cricket has never been lower.

The meaning of STANDARD is a conspicuous object (such as a banner) formerly carried at the top of a pole and used to mark a rallying point especially in battle or to serve as an emblem.

Entities seeking to install communications facilities onto SCE poles shall comply with SCE standards and General Order 95 (G.O. 95) requirements. To access this manual, click on the manual title below.
