

What modules should be added to the Matte Bow for maximum damage

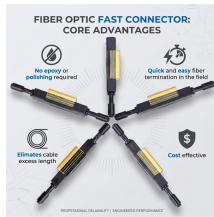

Overview

Continue to use Rathalos item pieces from the base game, as they are still the cornerstone for dealing damage. At this time you also should have some decent decorations and can incorporate Barroth Greaves beta+. The goal isn't only to teach you how to play Bow, but why we play the way we do. Even the veterans among you can find. To maximize the damage you can do some minimal changes As it is recommended in Monster Hunter World, bows should be using Critical Element skills. So if you come with Defender armor I would recommend switching parts of it to Rath Soul Helm beta and Rathalos mail beta (be sure to upgrade them) of.
