

## Zambia CE Certified DAC High-Speed Cable LPO

### Overview

The QSFP+ to 4xSFP+ passive cable assembly features high-performance, cost-effective SFP+ and QSFP+ device interconnections that connect QSFP+ and SFP+ switches and network devices without upgrading the entire data center or storage array. Founded in 2022, Uniflex Wires and Cables Ltd (UWCL) was built on a foundation of experience, innovation, and passion to deliver world-class quality products across Zambia and the African region. AEC cables combine copper flexibility with active circuits, optimizing connections over extended distances in confined spaces. ACC cables are high-speed. The Zambia Bureau of Standards (ZABS) facilitates the development of standards for the different sectors of the economy in Zambia. These Standards are developed to help the industry produce quality products that meet the expectations of the consumers and complies with the health, safety, and. Anketi Technology Co. Meanwhile, it delivers customized solutions for data centers, AI, telecom access and transmission network. 56G QSFP+ cable assembly provides four channels of data in a single pluggable interface, each capable of transmitting data at 14Gbps and supporting a total of 56Gbps data rate, conforming to all IBTA, QSFP MSA and SFF-8661, Infiniband FDR

specifications. QSFP+ directly connected copper cables. Volex is a leading manufacturer and supplier of Direct Attach Copper (DAC) cables. The Volex DAC cable product family includes cable assemblies with Small Form-factor Pluggable (SFP), Quad Small Form-factor Pluggable (QSFP), and Octal Small Form-factor Pluggable (OSFP) single and double density.

## Zambia CE Certified DAC High-Speed Cable LPO

Lumulus Technologies Inc. meets this need with high-speed cables from 10GB to 1.6TB designed for low latency, top performance and energy efficiency to ensure your project runs smoothly.

High-speed Volex Direct Attach Copper (DAC) cables deliver reliable, energy-efficient data transfer for data centers. Customizable, tested and ready to deploy.

Anketi is a high-tech enterprise focusing on the field of optical communications, especially the development, production and sales of high-speed optical transceivers and passive optical ...

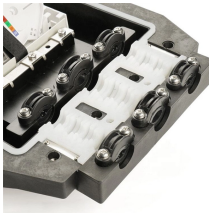

This HDMI 2.0 cable is suitable for wall installation. It also has an active signal enhancer built in, with a connection distance of up to 150 meters and no signal loss.
